H. Wright opened the final inning for the Columbias by sending the ball over the trees and left field fence, and as it fleated screenly down the river Wright trotted home. Ed. Wright got a base on balls and Fitzmorris falled to hit anything. Stone then knocked out a hit, but fittle mes by Leach and Green street the side.

The Richmond boys put up a good game but were crippled by the absence of Pitcher Quarles, and were 'not in it' after the second inning. There were a number of good plays all around, and the catching of Luck was especially good.

The second game was not nearly so scientific as the first one and in fact, from the looseness of the playing and the largeness of the score, reminded one of base-ball as it was in the by-gone years, when the League was yet

when the Columbias came to the Richmonds.

When the Columbias came to the lat they seemed determined to show the Richmonds that they could play ball, too. From the time the first ball was sent over the plate the valors commenced to hit Darby, whose poor delivery would not have puzzled a scrub ninc. One by one they piled up the runs, keeping three men on base all the time, until, when blose was put out by Tate and the many was ended there were twelve runs to their credit. Several of these runs were made by nen forced in home from third in consequence of Darby's wild pitching. Near the clear of the inning the captain of the home team very wisely retired Darby, and put Enright in the box. But for this the inning might have been indefinitely prolonged.

MONOTONOU the second inning, after the loose playing of the previous inning, the playing was inchestically good. The Richmonds were easily retired without scoring. Leech opened the inning for the Columbias by knocking the limit of the Columbias of the run, but Green, Sprigman and Wells were retired

in one, two, three order.

In the third unting the Richmonds failed to add to their score, and the Columbias did no better, for after getting two men on bases, they were shut out by a beautiful double play between Enright, Grady and Tate.

The fourth inning was marked by beautiful fielding on the part of both clubs, and also by pretty, but useless hitting. Neither club

Luck, who a moment afterwards was put out while trying to reach second. In this inning the Columbias put two men on bases, but the Richmonds cleverly put their side out before the men on bases could get home.

The sixth time the Richmonds came to the bet they did year poor batting one.

The sixth time the Richmonds came to the bat they did very poor batting, retiring one on a well-fielded fly and two others on strikes. The visitors, however, when they picked up the stick added one more run to their score. In the seventh inning the Richmonds made their sixth run on an error of Hiram Wright's, who made a wild throw to third, letting Foster come home. The Columbias then came in and added one more run to their fourteen, but the inning was closed by Enright's clever pitching, two men faming the air and retiring.

The game was called at 6:25, and the crowd was very well pleased that it should be, as they had had a surfeit of ball playing.

The game was umpired by Ford, whose conspicuously rank decisions often put both players and spectators out of temper.

The detailed score was as follows: BICHMOND CLUB.

HONOR AND GLORY TO THE BLUES.

Foster Will Take Photographs of the Members of the Camp For the Purpose of Forming a Group-Thanks to Lexington.

Lee Camp held their regular monthly meeting last evening, with Commander A. W. Archer in the chair. Captain J. Taylor Stratton recorded. After the transaction of some routine business Colonel Archer called on the comrades who had been in Lexington to give some of their experiences during the trip.

Comrade Ferriter was the first called upon and stated that he had been waited upon by a committee who requested him to give refreshments to the members during the whole trip, but the railroad company had shut him off. The camp reached Lexington about 7 A. M., but the refreshment car was soon taken back to East Lexington, from where it was not sent back to Lexington until 4:30 P. M., although the railroad officials in Richmond had promised to leave the car at Lexington in easy reach for the members of the camp. The car remained in Lexington about three or four hours and was then switched back on the main line and with the next train taken back to Richmond.

Comrade Brander was asked to give an account of himself, inasmuch as very little had been learned about the part which he had taken in the unveiling ceremonies. Combut the refreshment car was soon taken back

Smith, Captain Charles H. Epps and others.

A DELIGHTFUL TIME. Lieutenant-Colonel Booker spoke of the de-lightful time which he had had at Lexington, where he had received so many invitations to dinner that, in considering which one of the invitations to accept, he finally had to go hungry, being unable to come to any conclu-sion in dusting

sion in due time.

Colonel Murphy told of his experience at Lynchburg during the return trip, where he had ordered dinner, but after all got left and had to wait until he reached Richmond before he could satisfy the inner man.

Colonel William F. Smith stated that he had a message from Miss Lucy Lee Hill, who

sent her best regards to every member of the camp. The lady had told him that she expected to be in Richmond next fall, when she hoped to be permitted to visit Lee Camp. Colonel Smith then spoke of the manner in which the Richmond Light Infantry Blues had the deal of the colonial to th had stood by Lee Camp on the trip, and he moved that a resolution be adopted tendering the thanks of Lee Camp to the Blues for their

A little casket stood in front of the chancel rail at St. James f.piscopal church yesterday afternoon so white and so pure in beauty that a snow-flake would have blended with its trimmings. It was so short that it could hold only a mite of the exquisite floral offerings carried by a score of self-appointed flower-bearers. It was emblematic of a pure little flower that lay within—a bright little girl, not quite one year old, the only child and idol of its parents, Dr. William T. and Mrs. Sarah Sergeant Oppenhimer.

All that medical skill and loving hands could do was done to keep her here, but she answered an angel's call. A shaded church, a solemn chant and the deeply-modulated reading of the impressive Episcopal service, and the hushed sobs of heart-broken friends, all combined to make it a most touching scenejand impressed with sympathy the hearts of all present. Though such a little thing she had made a deep impress on other lives and a large number of sorrowing friends followed the casket to its resting place in Hollywood.

Key, Dr. Tucker and Rey. Dr. Peterkin

Hollywood. Rev. Dr. Tucker and Rev. Dr. Peterkin conducted the service at the church, and Dr.

Tucker those at the grave.
Dr. A. Wellford and Messrs, Lewis Lightfoot, Albert Christian and Thomas W. Mc-Cance acted as pall-bearers.

UNION STATION.

Cottage Meetings and Tent Services Have Proved Very Successful.

The Union Station Methodist church, before the heated term set in, inaugurated a system of cottage meetings, and delegations from the church visited and held these meetings wherever they were welcomed in private families. The success attending them was marked, and frequent conversions was the result. Since the summer heat has precluded these meetings they have erected a tent on \$200 o'clock.

Union Hill, and the success attending the cottage meetings has followed them there. People who in many cases attend no church have been attracted to the tent services, and a number of conversions in this class have taken place.
